Salem, OR 97301

This evening will be a time to feed your minds and hearts. But we will also provide heavy hors d'oeuvres and an assortment of drinks!

This event could benefit women of all ages who would like to connect with other women to share our wisdom and experience surrounding money. We hope to inspire and enable you to take practical steps toward financial security, freeing you to pursue the relationships and goals that are most important to you.

We will focus on financial planning steps to take during the Summer & Fall “seasons” of our financial life, i.e. our working years and early retirement.

We will hear from our speaker, Erin Wood, and a multi-generational panel of women sharing their personal stories, and you will have the opportunity to engage with the women at your own table.
